COLOR: _____

SHAPE: _____

OTHER: _____

1 Should any diamond or gemstone other than the center stone be damaged or lost during the course of normal wear and tear we will provide a comparable replacement at no cost to you. This is valid for diamonds and gemstones up to .25ct in new engagement rings only. This does not apply to vintage or estate items. For a safe guarantee of your center diamond and to protect against loss or theft we recommend obtaining an insurance policy through your insurance provider.

2 Your diamond will be eligible for a full value trade in towards another diamond of at least twice the price. Trade-in valid for center diamond only. Price excludes the cost of the original mounting, tax, and shipping at WM Harold & Son's discretion. Guarantee does not apply to diamonds that have been chipped, cracked or abraded. This trade in guarantee is not valid towards the purchase of a diamond on consignment.
